Emoji Support

Last Updated: Monday, January 7, 2019

The Vibes Mobile Engagement Platform fully supports Emojis.

The tables below show all of the Emojis that have been tested to work in Vibes broadcast and triggered messages, push, and Wallet on the following mobile platforms:

- Apple iOS 9.0 and 10.0.
- Android versions 4.4, 5.1, 6.0, and 7.0.

We will continue to add Emojis that have been fully tested on the Vibes Platform, as well as on new versions of iOS and Android.
