

# Vibes Account Manager

Last Updated: Wednesday, September 19, 2018

When working with Vibes Connect APIs, contact your Vibes account manager for help with the following:

- **API Key** – Your Vibes account manager can help you with your API Key.
- **Company ID** – To get your company ID, please contact your Vibes account manager.
- **SFTP** – The use of integration files requires a Vibes' Secure File Transfer Protocol (SFTP) account. Contact your Vibes account manager to get your SFTP account set up.
